Total score attained		S	1600			550	Total points to achieve level	1000	1350	1650

* Some measures have other variables. As a result, the amounts stated to achieve the various levels are based upon having the same membership & expenses as the prior year. To score fundraising, current month and year-end goals must be self-reported; market share and new Cub Scouts require TAY; unit performance needs current month.
