

## UNIT OF THE YEAR – Looking Glass District

If your unit would like to be considered for the Looking Glass District Troop, Pack, or Ship of the year **for 2021** please fill out the following information and submit to Wendy Henderson (dwhenderson2@hotmail.com), District Commissioner, by January 7, 2022. It may also be delivered in person to the January Roundtable. The winners will be announced at the District Banquet on January 29, 2022. The criteria for this award remains the same as in previous years, but because of the challenges this year the format for gathering information has been changed.

We realize this has been a challenging year and appreciate all you've done for the youth in the Daniel Boone Council. It is because of leaders such as yourself we can continue to offer a quality program.
