

SOS: Spring Outing for Scouting

Cub/Parent Weekend – April 23-24, 2022 **Super Opportunity for Scouting**

Saturday check-in: 9:00 to 10:30am Bring a picnic lunch
Program begins at 12:15 – ends at 11am on Sunday

FEE SCHEDULE: **\$10 per person**

Fees include program materials, patch, and Saturday afternoon snack.

Packs must register as a unit. All units must register on the form which can be found on-line at danielboonecouncil.org. Please make sure the **form is completely filled out – we MUST have the rank of each youth in attendance**. Late registration will not be accepted. Even if your pack only has one Cub/Parent combo attending they still need to fill out the Unit Registration Form.

Registration is due to the Council Service Center by 5pm on April 8 (not just postmarked by that day.) **No late registration accepted**. Fees are nonrefundable and may not be transferred from one weekend to another. May also be filled out on-line and submitted by the deadline.

Select someone to serve as your Pack Coordinator. This coordinator is responsible for gathering the information, filling out all paperwork, collecting fees and making sure that everything is handed in to the Council Service Center before the deadline. Every effort will be made to camp Pack members together.

The weekend is designed for Cub(s)/Parent Combos: Lions, Tigers, Wolves, Bears, and Webelos, may attend the weekend. **Please remember non-scouting siblings are not allowed to attend this weekend. Activities will be set up by rank – Lions will be doing different activities than Tigers, Wolves, Bears, and Webelos.**

For more information contact: **Wendy Henderson** (wendyscout52@gmail.com; 828-243-4326) or **Tucker Shealy** (tucker.shealy@scouting.org; 828-254-6189 ext. 127)

Things to remember for the Spring 2022 Cub/Parent Weekend

Check-In is 9am-10:30am. It's good if the entire Pack arrives about the same time. **Don't forget your bag lunch**. Anyone who arrives after 11:00 will check-in at the Pavilion and later at Ledbetter Lodge/Dining Hall.

We go no matter the weather. Remember to check the weather report a day or two before the event. It is usually 5-10 degrees cooler at Camp Daniel Boone. It is a good idea to dress in layers.

At Check-In you will receive an envelope – please be sure to read the “Safety Rules” enclosed. Just a couple of reminders.....a) alcohol of any kind is prohibited at all times; b) store any food in your site in a closed container; c) smoking in designated areas only; d) adults must know where youth are at all times

Each pack is responsible for hauling all their gear in one vehicle or trailer to the campsite. No vehicles will be allowed into campsites on Sunday until after chapel – remember that we “do our duty to God”. All gear should be marked with name and Pack # and organized **before** your arrival.

No vehicles will be allowed to stay in the campsites. Trailers may be parked at the site (or close).

*** Gear should be packed in a tote or 1 bag – pack carefully and conservatively. It is very difficult when folks have several individual bags or stacks of blankets. Below is a list of suggested gear.

Should have a simple first aid kit for your Pack. Good idea to have a packet of “baby wipes”.

Each Pack will be responsible for cooking their own meals. We provide an afternoon snack. Any “smellables” will need to be put in a container with a fixed lid. **Remember no eating in any sleeping areas.** You provide fuel for cooking; be sure to follow the Guide for Safe Scouting standards.

If you bring a lantern remember to follow standards in The Guide To Safe Scouting. Best if battery operated.

If you bring firewood for a campfire you need to talk to the other members attending---don’t need 2 or 3 folks each bringing a “truck load” of wood, remember you will only be there for 1 night. All fires must be attended and “cold-out” at night.

Everyone (youth and parents) **in attendance** must have a **physical form** parts A & B {does not require doctor’s signature}. **These can just be in a Pack folder or notebook. You will get them back at the end of the weekend.** Every family in attendance must sign a “Council Covid Waiver” – downloadable from council website.
