Scouts indicate that summer camp is more than just a place to have fun. It also offers Scouts the opportunity to participate in physically and intellectually challenging activities, introduces them to new and rewarding experiences, and provides them with supportive and caring relationships.

Positive outcomes of Scout summer camp occur because the environment and activities at camp incorporate all of the elements of healthy youth development.

- ◆ Camp Daniel Boone camps over 6,000 youth and leaders from over twenty states annually.
- ◆ Camp Daniel Boone employs two international staff members each summer.

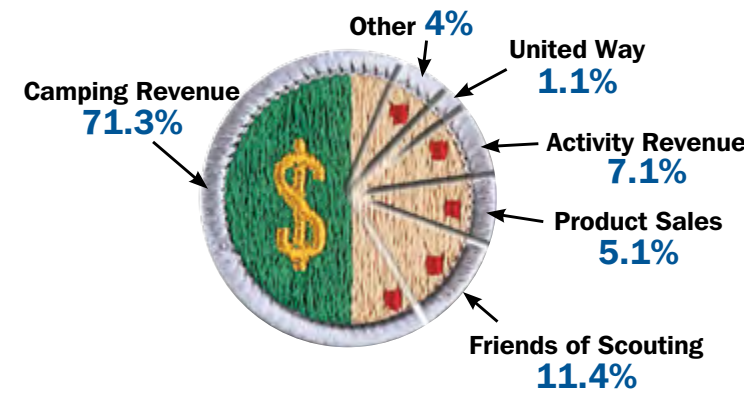

## RETURN ON INVESTMENT

### PRIDE POINTS:

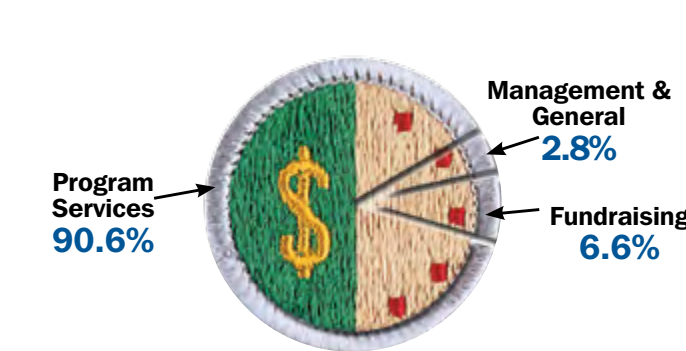

The success of the local Scouting program is dependent upon families investing in their son's Scouting experience. Investments help keep the Scouting program strong for future generations of Scouts to come. We are very proud of our fiscal successes in 2013. The Daniel Boone Council is a good steward of all contributions and works hard to make our supporters proud of their investments.
